Winter Crisis Program (WCP)

Available November 1st through March 31st

This program is designed for a one-time payment for utility bills, bulk fuels, coal, wood or wood pellets. The customer must be income eligible and either have a disconnection notice, or be without heating services, or have less than a 10-day supply of bulk fuel.

Regular HEAP Program (R-HEAP)

Available from July 1st through March 31st

This program is offered directly from the Ohio Development Services Agency. Customers may receive a one-time credit or voucher to their main heating source. All applicants who apply for the WCP and/or the SCP are automatically enrolled in the R-HEAP by your local community action agency. (This is the form you may have received in the mail.)

Summer Crisis Program (SCP)

Available July 1st through August 31st

This program is designed for a one-time payment on your electric bill. The eligibility requirements are: a member of household who would benefit from assistance verified by a licensed physician or registered nurse practitioner, or seniors age 60 (sixty) and over who meet the 2020 Poverty Income Guidelines. Air conditioners or fans may be available and are on a first-come, first-serve basis! Please call your local community action agency for more details on the Summer Crisis Program.

* Additional Fuel Funds for Ohio Edison, AEP and Columbia Gas are available at different times throughout the year on a first come first service basis. Please call your local community action agency for more details and when these programs are available in your area. *
